2. Services

2.1. **Portal.** Subject to the terms and conditions of the Agreement and the Portal Service Schedule, You may, for the Term, access and use the Portal to manage Your Account, update Your Account Information, order or remove Services.

2.2. **Access to Services.** Subject to and in accordance with the terms of the Agreement, Sherweb grants You a non-exclusive, royalty bearing, non-sublicensable, non-transferable, non-assignable, revocable right, for the Term of the Agreement, to access and use the Services. Sherweb may, at its sole discretion, delegate and/or to subcontract all or part of the Service to its Third-Party Supplier.

2.3. **Account Information.** Your failure to timely update Your Account Information could result in unauthorized access to Your Account, in the impossibility to access or use the Services, in the impossibility of communicating

with You or of processing payment on Your Account. Accordingly, You agree to maintain accurate Account Information by providing updates to Sherweb promptly when any of Your Account Information requires changes. You acknowledge and agree that in the event of any dispute regarding access to or legal ownership of an account or any portion thereof, including Your Account, (i) upon request, You will provide Sherweb with any documentation it reasonably requests to establish ownership and rights on Your Account and any related Service Data; and (ii) Sherweb will resolve such dispute in its sole discretion. You acknowledge and agree that any Account User identified by You as an administrator with respect to Your Account has the authority to bind You to any amendments, modifications or acknowledgements related to the Agreement or the Services.

2.4. Account Security. You acknowledge and agree that You are solely responsible for (i) maintaining the confidentiality and security of Your password and other access information associated with Your Account; (ii) ensuring the security of any hardware on which or from which the Services are used or accessed; and (iii) all activities that occur in connection with Your Account, whether initiated by You, by your End Users, by others on Your behalf or by any other means. You will notify Sherweb immediately of any unauthorized use of Your Account, or any other actual or potential breach of security. You acknowledge and agree that Sherweb will not be liable for any loss that You may incur as a result of any party using or accessing Your Account, either with or without Your knowledge and/or authorization. Sherweb specifically disclaims all liability for any activity in Your Account, whether authorized by You or not.

3. Permitted Use of the Service

3.1. Permitted Use. You shall only use the Services for Your own lawful, appropriate, permitted internal business, non-residential and non-personal use. You shall access and use the Services in compliance with: (i) the terms of Your Subscription Plan; (ii) the terms and conditions of the Agreement, including the AUP; (iii) any other applicable procedures, policies and Documentation of Sherweb or its Third-Party Suppliers that may be communicated to you in writing from time to time and that further define the provision and use of the Services; and (iv) any Applicable Law.

3.2. Data Compliance. All Service Data You provide to Sherweb in connection with the Services shall (i) be server-ready, meaning that they shall be in a condition and form which requires no additional manipulation or verification on the part of Sherweb; (ii) comply with Applicable Law and the terms and conditions of the Agreement, including the AUP and any other procedures, policies and Documentation of Sherweb or its Third-Party Suppliers that may be communicated to you in writing from time to time and that further define the provision and use of the Services; and (iii) be free of any and all malicious code, including disabling devices, drop-dead devices, time bombs, trap doors, Trojan horses, worms, computer viruses, and mechanisms that may disable or negatively impact the servers. Attempting to place or requesting placement of malicious code on Sherweb's servers shall be considered a material breach of the Agreement. You hereby represent and warrant that You own or have the necessary licenses, rights, consents and permissions to use, post, place and otherwise transfer or transmit, the Service Data in connection with the Services. Sherweb may reject or delete Service Data that You have placed, attempted to place, or have requested be placed on Sherweb's servers in breach of the Agreement. Sherweb shall notify You of its rejection and provide You with an opportunity to amend or modify such Service Data to meet the requirements of Sherweb.

3.3. Responsibility. You are solely responsible: (i) for the access and use of the Services in compliance with the terms of the Agreement (together with all documents incorporated by reference), and with all applicable procedures, policies and Documentation of Sherweb or its Third-Party Suppliers that may be communicated to You in writing from time to time and that further define the provision and use of the Services; (ii) for the content of the Service Data passing through Sherweb's network; and (iii) for ensuring that End Users comply at all times with the terms of the Agreement as it relates to their use of the Services. You acknowledge and agree that: (A) Sherweb may, but is not obligated to, exercise control over or monitor the content of the Service Data passing through Sherweb's network; and that (B) the actions of Your End Users in their use of the Services will be deemed to be actions by You and that any breach of the terms of the Agreement by Your End Users will be deemed to be a breach by You.

You acknowledge and agree that any access or use of the Services or any portion of the Services in violation of this Section 3 will be a material breach of the Agreement.

3.4. Trial License. If You register for a free trial for any of the Services, Sherweb will make such Services available to You on a trial basis free of charge until the earlier of (a) the end of the free trial period for which You registered to use the applicable Service; (b) the start date on which your trial licence was converted to the equivalent paid Subscription Plan; or (c) termination of the trial by Sherweb in our sole discretion. You may convert trials to available paid Subscription Plan at any time during the trial, but trials cannot be cancelled nor extended, unless otherwise set forth in a Service Schedule. A free trial is intended for evaluation purposes (and not for commercial, professional or production use purposes), is not supported, and may be subject to additional terms that will be presented communicated to You by Sherweb or its Third-Party Suppliers. Any such additional terms and conditions are incorporated into this Agreement by reference and are legally binding. If the trial expires or is terminated by Sherweb, Services will immediately become unavailable to You and Your End Users, without any further notice. ALL TRIALS ARE PROVIDED "AS IS", WITHOUT ANY SUPPORT OR ANY EXPRESS OR IMPLIED WARRANTY OR INDEMNITY OF ANY KIND. ANY SERVICE DATA YOU ENTER INTO A SERVICE, AND ANY CONFIGURATIONS OR CUSTOMIZATIONS MADE TO A SERVICE BY OR FOR YOU, DURING YOUR FREE TRIAL WILL BE PERMANENTLY LOST UNLESS YOU PURCHASE A SUBSCRIPTION TO THE SAME SERVICE AS COVERED BY THE TRIAL, PURCHASE THE APPLICABLE SERVICE, OR EXPORT SUCH SERVICE DATA, BEFORE THE END OF THE TRIAL PERIOD. IN NO EVENT WILL SHERWEB AND ITS THIRD-PARTY SUPPLIERS BE LIABLE TO YOU OR YOUR END USERS FOR ANY CLAIM WHATSOEVER ARISING OUT OF OR RELATED TO A FREE TRIAL. THE PARTIES ACKNOWLEDGE THAT THIS IS INTENDED TO BE A COMPLETE LIMITATION OF ALL LIABILITY OF SHERWEB AND ITS THIRD-PARTY SUPPLIERS IN CONNECTION WITH SERVICES OFFERED ON A TRIAL BASIS AND THAT SUCH LIMITATION IS REASONABLE GIVEN THAT NO FEES ARE CHARGED IN CONSIDERATION FOR THE TRIAL.

4. Ownership

4.1. Property Assets. You acknowledge and agree that Sherweb and/or its Third-Party Suppliers own all proprietary rights, including Intellectual Property Rights, in and to the Property Assets. You shall not, directly or indirectly: (i) use, sell, rent, lease, encumber, host, copy, license, publish, display, distribute, or otherwise transfer or make any Service or Property Assets available to a third party, except as expressly permitted by the Agreement; (ii) make the Services available on a time share or service bureau basis, or distribute them as part of an OEM or other similar arrangement; (iii) disclose any Property Assets to a third party; (iv) alter, or permit the alteration of any Property Assets; ; (v) modify, reprogram, translate, disassemble, decompile, reverse engineer or otherwise attempt to derive source code from any Property Assets; (vi) remove, modify or obscure any copyright, Mark or other proprietary rights notices that appear on any Property Assets; (vii) acquire or seek to acquire any ownership interest in or to any Property Assets; (viii) knowingly take any action that jeopardizes Sherweb's or its Third-Party Suppliers' proprietary rights in any Property Asset; (ix) create any derivative works from any software made available as part of the Services or attempt to inspire Yourself from the source code or from the software architecture to develop a competing offering. Except as expressly provided herein, nothing in the Agreement shall be interpreted as granting You or any other person or entity, any right, title, or interest in or to the Services or Property Assets. You shall ensure that End Users comply at all times with the terms of this Section 4, and more generally this Agreement, and You shall prevent any unauthorized distribution, copying, use or pirating of the Property Assets. You are liable to Sherweb for any breach of this Agreement (including of this Section 4) by You or by any End User.

4.2. Service Data. As between the Parties, You retain all right, title and interest in and to the Service Data. You hereby grant Sherweb a non-exclusive, royalty-free, worldwide right to use (including to copy, reproduce and display) the Service Data: (i) as necessary for Sherweb to perform the Services; and (ii) otherwise in accordance with this Agreement (including as described in Section 9 below).

5. Fees and Payment Terms

- 5.1. **Fees.** In consideration for the Services provided under the Agreement, beginning on the Effective Date, You shall pay Sherweb the applicable Fees, together with any and all applicable Taxes related to the Services provided. In the event Taxes must be withheld from any payment to Sherweb, You will increase the payment to Sherweb so that the amount received by Sherweb is the same as it would have been if no Taxes were withheld.
- 5.2. **Billing and Payment Arrangements.** Sherweb will invoice You at the beginning of each Billing Cycle in accordance with Your Subscription Plan. You will be able to view and print Your invoice from Your Account using the Sherweb's Portal. No refund or adjustment shall be issued for one-time fees. For recurring fees, no refund or adjustment for plan downgrades or elimination of plan features within the current Term shall be issued. Sherweb reserves the right to invoice for Services for a period of up to twelve (12) months after the Services were provided to You, except in connection with a reassessment of Taxes initiated by a government Entity, in which case the reassessment of Taxes can occur at any time. The following terms apply with respect to Your Subscriptions:
- a) **Monthly Subscriptions.** Monthly Subscriptions are billed monthly in advance.
 - b) **Fixed-Term Subscriptions.** If available, for Fixed-Term Subscriptions, You may choose to be billed and pay on a monthly or annual basis. If billed monthly, You will be billed based on the applicable monthly Fees associated to Your Subscription Plan. If billed annually, You will be billed in advance and in full at Your next scheduled monthly invoice.
 - c) **Consumptions Subscriptions.** Consumption Subscriptions are billed monthly based on usage during the preceding Billing Cycle and the Fee effective upon the billing date.
- 5.3. **Payment Method.** Except as otherwise agreed to in writing by Sherweb, the Fees shall be paid by credit card. Payment will be applied to Your credit card immediately upon issuance of Your invoice. If, after fifteen (15) days from the initial attempt to charge an invoiced amount on the credit card, Sherweb is still unable to charge Your credit card, Sherweb may, at its discretion (i) immediately suspend access to the Services; during such suspension, existing Service Data will not be destroyed; and (ii) terminate the Agreement and delete all Your Service Data pursuant to Sections 6.3 and 6.9 of the Agreement.
- 5.4. **Late Payment.** If You fail to make payment of any amounts invoiced in strict compliance with the above requirements, Sherweb shall have the right, in addition to any other rights or remedies under the Agreement, to assess, and You shall pay, a finance charge equal to 18% per annum, compounded monthly (effective rate of 19.56% per annum) or the maximum rate permitted by Applicable Law if lower than 18% per annum. While amounts are due under this Agreement, Sherweb reserves the right to suspend access to the Services and, during such suspension, existing Service Data will not be destroyed.
- 5.5. **Excess use.** You shall monitor and maintain Your Account within all usage limits specified in Your Subscription Plan and in a manner that does not disrupt the activities of other customers of the Sherweb. In the event Your usage exceeds the limits of Subscription Plan or Sherweb has reasons to believe that Your usage will disrupt the activities of other customers of the Sherweb, You agree that Sherweb may, in its sole discretion, (i) charge You for such excess usage, (ii) upgrade You to a plan or increase the limits on Your Account to address this excess usage, and/or (iii) suspend or terminate Your Account for cause. Usage and associated charges for excess usage shall be determined solely on the basis of Sherweb's collected usage information. Unused monthly allotments shall not accrue or carry over from one month to another. Upon any upgrade or increase of the limits of Your Account, You shall be responsible for the new costs and fees.
- 5.6. **Tax Exemption.** If You provide written documentation of Your tax-exempt status in a form reasonably acceptable, Sherweb will not charge You any Taxes exempted due to Your request and supporting documentation. Such documentation of Your tax-exempt status shall include a valid and properly executed tax-exemption certificate(s) and/or statement(s) of indemnification for any taxes from which You seek exemption.

You will pay any and all remaining non-exempt Taxes. For clarity, the establishment of exemption from any Taxes is Your sole responsibility and Sherweb is not obligated to consider any retroactive request for tax exemption.

5.7. Amendments. Sherweb reserves the right to increase the Fees upon fourteen (14) days' prior notice to You. Your continued use of the Services after the effective date of such increase will be deemed to be acceptance by You of the updated Fees. If You do not agree with such increase, You may terminate the affected Services by providing written notice to Sherweb, provided, however, that such notice must be received within fourteen (14) days after Sherweb's notification and that such termination will be deemed a termination for convenience by You for the purpose of the Agreement. The Fees for a current Subscription will not change during the Subscription Term (as defined below). If the Fees increase during a then-current Subscription Term, the updated Fees will become applicable upon renewal of current Subscriptions or immediately for any new Subscriptions. Notwithstanding the foregoing, the Fee for a Consumption Subscription may change during the Billing Cycle.

5.8. Billing Dispute. In the event You dispute in good faith any portion of a Sherweb's invoice, You shall pay the undisputed portion of the invoice and submit a written claim for the disputed amount, documenting the basis of its claim. All claims must be submitted to Sherweb in writing within ninety (90) days after issuance of the invoice. You acknowledge that You are able to and that it is reasonable to require You to dispute invoices within that time.

6. Term

6.1. Effective Date. The Agreement shall be effective upon the Effective Date and shall remain in effect until it is terminated by either Party in accordance with the terms of the Agreement ("**Term**").

6.2. Termination for Convenience. Except as otherwise agreed by the Parties, this Agreement may be terminated by either Party upon delivery of a written notice of its intent to terminate the Agreement ("**Notice of Intent to Terminate**"), effective thirty (30) days after delivery of such Notice of Intent to Terminate.

6.3. Immediate Suspension or Termination. Sherweb shall have the right, at its option, to terminate the Agreement or suspend Your Account or Services, in whole or in part, immediately and without prior notice, on the occurrence of any of the events detailed below (each an "**Event of Default**"). In relation to any Event of Default that is capable of being cured, Sherweb reserves the right, while the Event of Default remains uncured, to elect not to provide any further Technical Support pursuant to Section 7 hereof or to elect not to process new purchases of Services, renew subscriptions for Services or update seat counts for existing subscriptions of Services. For the purposes of this Section 6.3, each of the following event is considered an Event of Default, irrespective of whether it is triggered by any actions or omissions or You, Your Customers, Your Sub-Resellers or Your Sub-distributors, as the case may be:

- (a) You are in material breach of your obligations under this Agreement, provided that such breach is capable of being cured, and further provided that such breach remains uncured after a thirty-day (30) notice to You (or fifteen (15) days if the breach is a failure by You to make any payment to Sherweb when due under the Agreement); or
- (b) In the event You are in material breach of Your obligations under the Agreement more than two (2) times notwithstanding any cure of such breaches; or
- (c) In the event You are in breach of Your obligations under the Agreement and such breach is incapable of being cured;
- (d) If Sherweb determines that You engaged or engage in illegal or deceptive trade practices or that You have violated, violate or that You are reasonably likely to violate: (i) the AUP or any other principles, guidelines, policy or procedure disclosed to You, and set forth by Sherweb or its Third-Party Suppliers, in connection with the Services; (ii) Sections 3 or 4 of the MSA; (iii) any Property Asset or any

Intellectual Property Right of Sherweb, its Third-Party Suppliers or any third party; (iv) Your confidentiality obligations under the Agreement; or (v) Your non-solicitation obligation under the Agreement; or

- (e) If Your use of the Services results in, or is the subject of, actual or potential legal action or threatened legal action against Sherweb or any of its Affiliates, vendors, partners, representatives or customers, whether such actual or potential legal action or threatened legal action is eventually determined to be with or without merit.

6.4. Termination Related to Bankruptcy and Insolvency. Either Party may terminate this Agreement immediately by serving on the other Party a Notice of Intent to Terminate in the event the other Party (i) terminates or suspends its business; (ii) becomes subject to any bankruptcy, insolvency or other similar proceedings under Applicable Law, including as a result of a proposal or arrangement being made to that Party's creditors; (iii) becomes insolvent or subject to direct control by a trustee, receiver or similar authority; or (iv) has wound up or is being liquidated, voluntarily or otherwise.

6.5. Third-Party Supplier Termination. In the event a Third-Party Supplier of one or more Third-Party Services terminates the applicable agreement with Sherweb, in whole or in part, including with respect to individual Services or with respect to a particular Customer, Sherweb may terminate the Agreement, in whole or in part, within the same deadline as the Third-Party Supplier, including termination of only those Services or termination only in relation to such Customer as terminated by the Third-Party Supplier without any liability or further obligation.

6.6. Effects of Termination. Except as otherwise expressly set forth herein, termination of the Agreement will not cancel or waive any Fees owed to Sherweb as per the Agreement and Sherweb shall not be required to reimburse any prepaid fees. Upon termination of the Agreement or the Services, in whole or in part: (i) Sherweb will close Your Account; (ii) Sherweb may charge any unpaid balance to Your credit card on file or otherwise invoice You for such unpaid balance; (iii) You shall promptly stop all use of the Services and, if applicable, uninstall and remove all copies of any software provided by Sherweb, or any Third-Party Supplier from Your devices (and those of your End Users), or otherwise render such Services permanently unusable by You and Your End Users, and You shall return or destroy all copies of any such software; and (iv) Sherweb may irrevocably delete Your Service Data upon the effective termination date, unless otherwise set forth in the applicable Service Schedule. You will be solely responsible for securing all necessary Service Data from Your Account prior to termination. Sherweb will not be responsible for any loss of Your Service Data, or any damages arising from the deletion of Your Service Data following termination of the Agreement.

6.7. Other Relief. Any termination of the Agreement: (i) does not relieve either Party of its obligations that have accrued under this Agreement or operate to discharge any liability that has been incurred by either Party prior to the effective date of termination; and (ii) shall be without prejudice to any other rights (including any right of indemnity), remedy or relief vested in or to which the terminating Party may otherwise be entitled against the other Party.

7. Service Orders and Subscription Plans

7.1. Service Orders for Customer. When You purchase Services from Sherweb, You must electronically submit an order via the Portal, or by such other reasonable means as Sherweb may specify from time to time. Upon receipt of each order, a Subscription Plan will be created specific to such purchase, setting forth the initial term, Fees, payment schedule and other terms and conditions with respect to such purchase.

7.2. Subscription Term. Except for a Consumption Subscription, the term of each Subscription Plan ("**Subscription Term**") shall be an initial term with a specific duration as agreed to by You (e.g., one (1) month, one (1) year or three (3) years, depending on the Service, or some other mutually agreed-upon period) (a "**Subscription Initial Term**"), followed by renewal periods (each a "**Subscription Renewal Term**"). Each Subscription Plan will renew

automatically at the end of the then current Subscription Term, Sherweb in accordance with the following and except as otherwise provided in a Service Schedule.

- (a) Monthly Subscriptions. The Subscription Initial Term for a Monthly Subscription is one (1) month beginning on the date the Subscription is provisioned and expiring at the end of the Billing Cycle. By default, each Subscription Renewal Term for a Monthly Subscription is one (1) month beginning on the date the Subscription Initial Term or each subsequent Subscription Renewal Term thereafter ends, as the case may be. To prevent the automatic renewal of a Monthly Subscription, You shall notify Sherweb of Your intent not to renew the Subscription at least thirty (30) days prior to the end of the Subscription Term.
- (b) Fixed-Term Subscriptions. The Subscription Initial Term for a Fixed-Term Subscription is twelve (12) months or any other specific term agreed to in writing between the Parties, beginning on the date the Subscription is provisioned and expiring at the end of the Billing Cycle. 8.1. Technical Support. Except as otherwise set forth in the Agreement, Sherweb will provide You 24/7/365 Technical Support for the Services, including by phone and email, in accordance with the terms set forth below. You may designate up to four (4), but no more than four (4), Account Users who are authorized to call Sherweb's Technical Support services ("**Designated Technical Users**"). No support to End Users will be provided by Sherweb. Any and all documentation distributed by You shall clearly state that End Users can only call your Designated Technical Users for technical support requests. In the event any End User contacts Sherweb directly for any support, Sherweb shall refer such End User to your Designated Technical Users for support.

8.2. Request. In order to receive Technical Support, a Designated Technical User must send a request to Sherweb with the following information:

Account name:

Issue involved:

Date and time that the issue occurred:

Detailed description of the issue:

Error messages (if applicable):

Screenshots or any other visual element that could help solve the issue

If the foregoing information is not received by Sherweb, Sherweb reserves the right not to respond to the request for Technical Support until complete information has been provided and, in any event, Sherweb shall have no liability for delays in responding to an incomplete request for Technical Support.

8.3. Maintenance. Sherweb or its Third-Party Suppliers may be required to perform routine maintenance from time to time in connection with the Services. Routine Maintenance may interrupt or otherwise impact the Services, depending on the nature of the work. Routine maintenances are planned to occur during off-peak hours (Eastern Time) and Sherweb will use commercially reasonable efforts to notify You at least forty-eight (48) hours prior to such maintenance. Sherweb or its Third-Party Suppliers may also be required to perform emergency maintenance. Emergency maintenance may happen without notice; in case of emergency maintenance, Sherweb will use commercially reasonable efforts to notify You as soon as reasonably possible and to perform such maintenance in a manner that will not unreasonably interrupt the Services. It is Your responsibility to understand these notifications and take the necessary actions to minimize the impact on Your business.

8.4. Equipment. Unless purchased directly from Sherweb, You are responsible for and must provide all phones, phone services, computers, software, hardware, and any other devices necessary to access and use the Services ("**Equipment**"). Sherweb makes no representations, warranties, or assurances that Your Equipment will be compatible with the Services. To access and use the Portal, you must provide, without limitation, (i) an internet connection with sufficient bandwidth and quality, (ii) a fully functional Internet browser, (iii) tools to develop and publish content, if suitable and necessary in your opinion, and (iv) tools to access database servers, if applicable.

8.5. Error Correction. For the purposes hereof, an "**Error**" shall mean a material failure of the Services to perform in accordance with any Documentation such that the Services are significantly impaired or degraded for the End Users. An End User may report any suspected Error to your Designated Technical Users. In such a case, You shall obtain from the End User and provide to Sherweb a detailed, written description and documentation of the suspected Error. You and your End Users must cooperate with all investigations conducted by Sherweb or its Third-Party Suppliers in relation to the Error. The only responsibility of Sherweb and its Third-Party Suppliers in relation to a reported Error is to use all commercially reasonable efforts to correct the Error. An Error correction may consist of a separate patch, a workaround or it may be included in the next available update, upgrade or release of the Services, at the discretion of Sherweb and its Third-Party Suppliers. Should Sherweb or its Third-Party Suppliers be unable to correct an Error with respect to a particular Service (the "**Affected Service**") within thirty (30) days after Your notification, Your sole remedy shall be to terminate the Affected Service immediately, in which case the provisions of Section 7.3 of the MSA shall apply, except that Sherweb shall refund to You any

prepaid fees and shall not have the right to reinstate any fees previously waived, discounts or rebates applied with respect to the Affected Service. Such refund of prepaid fees, if any, shall constitute the maximum extent of Sherweb's liability for failure to correct an Error.

- 8.6. **Updates.** Sherweb reserves the right to change or upgrade any equipment or software that it uses to provide the Services without notice to You. Sherweb will install security patches, minor updates, upgrades and service packs ("**Updates**"), as it determines in its sole discretion, and reserves the right, but has no obligation, to roll back any Updates. Updates may change system behavior and functionality and as such may negatively affect the Services. Sherweb cannot foresee nor be responsible or liable for service disruption or changes in functionality or performance due to Updates. Sherweb is not responsible or liable for issues that may arise from incompatibilities between the Service Data and the Services, including any Updates.
- 8.7. **Beta Products and Services.** Notwithstanding anything to the contrary contained in the Agreement, the Service Unavailability Warranty shall not apply to Services provided or Accounts created on experimental "Beta" plans and platforms, and Sherweb shall have no liability whatsoever in relation to any such "Beta" plans or platforms, or any related databases, website content, and email messages, whether direct or indirect, or otherwise.
- 8.8. **New Releases and Replacement.** You acknowledge and agree that Sherweb or Third-Party Suppliers may modify a Service (by adding new features or functionalities to, or removing existing features or functionalities from, a Service) or may release a new version of a Service, at any time and for any reason, including to address customer needs or otherwise address competitive demands, to respond to a government regulation, order or law, or to advance innovation in its Service offerings. You acknowledge and agree that Sherweb or Third-Party Suppliers may replace a Service with another Service offering equivalent functionalities at any time. Any such modification or replacement shall not constitute a default by Sherweb under the Agreement, provided that if you believe that such modification or replacement substantially decreases the Service offering, Your sole remedy shall be to terminate the Service immediately, in which case the provisions of Section 7.3 of the MSA shall apply, except that Sherweb shall refund to You any prepaid fees and shall not have the right to reinstate any fees previously waived, discounts or rebates applied with respect to the Service. Such refund of prepaid fees, if any, shall constitute the maximum extent of Sherweb's liability for any modification to or replacement of the Service.
- 8.9. **End of Life.** Sherweb may, at any time and for any reason, including to address competitive demands, respond to a government regulation, order or law, or to advance innovation in its Service offerings, terminate a particular Service or cease to provide, with respect to a particular Service: (i) Technical Support; (ii) bug fixes, security fixes or other Updates; and/or (iii) maintenance services ("**End of Life**"). For any Service being planned for the End of Life, Sherweb will notify you at least ninety (90) days prior to the End of Life effective date, and Sherweb's only liability in connection with the End of Life shall be to use commercially reasonable efforts to assist you for appropriate planning and suggest alternative services with substantially equivalent functionalities.
- 8.10. **Service Availability Warranty.** Sherweb will use commercially reasonable efforts to achieve the level of performance set out for each Service, as further defined in each applicable Service Schedule ("**Service Availability Warranty**"). Any period where a particular Service is unavailable but such unavailability is caused by or associated with any of the following shall not be considered a Service Outage: (i) any circumstance beyond Sherweb's reasonable control, including but not limited to a failure or error in a device or hardware not provided by Sherweb, denial of service or similar attacks, mail bombs, DNS resolution, domain name expiration, hardware failure, Internet unavailability, power failure, Your act or omission or those of your End Users, Your portion of the network or that of your End Users, IP transit Sherweb issues, SYN attacks or any other Force Majeure event; (ii) any unavailability related to the replacement or repair of customer premises or Equipment; (iii) any issues related to a Third-Party Supplier; or (iv) any scheduled and emergency maintenance (collectively the "**Service Outage Exclusions**"). Also, any period of unavailability lasting less than five (5) consecutive minutes shall not be considered a Service Outage.
- 8.11. **Service Credit.** Subject to the Service Outage Exclusions, and unless otherwise stated in the applicable Service

Schedule, in the event Sherweb does not comply with the applicable Service Availability Warranty in any given calendar month, You will be credited or refunded: (i) an amount equal to five percent (5%) of the amount due and payable for the affected Service during the reference month; and (ii) for every one percent (1%) loss of availability below the Service Availability Warranty during the same calendar month, an additional amount equal to two and a half percent (2.5%) of the amount due and payable for the affected Service during the reference month, the whole calculated in accordance with the terms set forth in Section 8.12 below (collectively referred to as the “**Service Credit**”). Under no circumstances shall the Service Credit exceed twenty-five percent (25%) of the amount due and payable for the affected Service in the reference month. For further clarity, should the applicable Service Schedule provide for a different Service Credit than the one set forth in this section, the Service Schedule shall take precedence and You shall be only entitled to the Service Credit set forth in the applicable Service Schedule.

8.12. Service Credit Request and Calculation. To request a Service Credit, You must send a Service Credit request within fifteen (15) days of the Service Outage to feedback@sherweb.com. The Service Credit request must contain Your Account name, contact information, a detailed description of the Service(s) affected, the start and end time of the Service Outage, a description of how Your use (or that of your End Users) was adversely affected, and the Service Credit requested. Before processing a request for Service Credit, Sherweb will review the information submitted in the Service Credit request. Sherweb calculates Service Availability based on both the monitoring system and the incident report from Sherweb’s engineering team. Sherweb calculates the Service Credit based on the particular Service for which Service Availability was below the Service Availability Warranty, the fees applicable for such particular Service, and the percentage of overall End Users adversely affected. For example, if only two (2) End Users were adversely affected by the Service Outage out of two hundred (200) End Users, the Service Credit will be calculated as one percent (1%) multiplied by the monthly fee for the affected Service multiplied by the percentage of the Service Credit to which You are allowed for the reference month. A Service Credit will only be granted if Sherweb confirms that a Service Credit is available and it shall be Your sole remedy (and that of Your End Users) for any such failure or other issues with the Service. If granted, the Service Credit will be applied to the next invoice for the affected Service. You are not entitled to a Service Credit if You (or Your End Users) are in breach of the Agreement (including breach of payment obligations) at the time of the occurrence of the event giving rise to the credit until such breach is cured. You are not entitled to a Service Credit if the event giving rise to the Service Credit would not have occurred but for the breach of the Agreement by You or Your End Users, or as a result of the fault or negligence of You or Your End Users. In any case where Services Credits are granted for such loss of Service, the maximum aggregate cumulative amount of such Service Credits, in any given month for any given Service, shall not exceed to total amount of fees otherwise payable by you for this Service during that month. SHERWEB SHALL HAVE NO LIABILITY OF ANY KIND WHATSOEVER FOR SERVICE OUTAGE OTHER THAN WHAT IS EXPRESSLY PROVIDED IN THE “SERVICE CREDIT” SECTION OR ANY OTHER SIMILAR SECTIONS OF THE AGREEMENT.

- 16.8. **Applicable Law and Venue.** The Agreement shall be governed and construed in accordance with the laws of the Province of Quebec and the laws of Canada applicable in Quebec, despite any choice-of-law statute, rule, or precedent that would apply the law of any other jurisdiction. To the extent it may be applicable, the Parties expressly agree to exclude the application of the U.N. Convention on Contracts for the International Sale of Goods (1980) to this Agreement. The Parties hereby attorn to the non-exclusive jurisdiction of the federal and provincial courts in the judicial district of Saint-François, Province of Quebec, Canada. This choice of jurisdiction does not prevent either Party from seeking injunctive relief with respect to a violation, infringement or misappropriation of Intellectual Property Rights or confidentiality obligations in any jurisdiction.
- 16.9. **Non-Waiver.** No waiver of any of the provisions of the Agreement is binding unless it is in writing and signed by the Party entitled to grant the waiver. Any waiver authorized on one occasion is effective only in that instance and only for the purpose stated, and does not operate as a waiver on any future occasion. The failure of either Party to exercise any right, power or option given hereunder or to insist upon strict compliance with the terms and conditions hereof by the other Party shall not constitute a waiver of the terms and conditions of the Agreement with respect to that breach or any other or subsequent breach thereof, nor a waiver by either Party of its rights at any time thereafter to require strict compliance with all terms and conditions hereof, including the terms or conditions with respect to which the other Party has failed to exercise such right, power or option.
- 16.10. **Force Majeure Event.** Except for monetary obligations, neither Party (the "**Impacted Party**") shall be in

default or otherwise liable to the other for failure or delay in the performance of a required obligation hereunder if such inability or delay results from any cause which is unforeseeable, irresistible and beyond such Party's reasonable control or anticipation, including, without limitation, acts of war, acts of God, terrorism, earthquake, hurricanes, flood, fire or other casualty, embargo, riot, sabotage, labor shortage or dispute, governmental act, insurrection, epidemic, quarantine, inability to procure materials or transportation facilities, failure of power, restrictive governmental laws or regulations, condemnation, acts of third parties, failure of the internet, or other reason that is beyond a party's reasonable control or anticipation (each a "**Force Majeure Event**"). The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of the Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause.

16.14. Cumulative Rights. The rights of each Party hereunder are cumulative and the exercise or enforcement by a Party of any right or remedy hereunder shall not preclude the exercise or enforcement by such Party of any other right or remedy hereunder or which such Party is otherwise entitled by law to enforce.

16.15. Additional Remedies. You acknowledge that any act in violation of Sherweb's rights in the Services may cause irreparable damage to Sherweb, for which monetary damages may not be an adequate remedy. Accordingly, if You act, fail to act, or attempt to act in violation of Sherweb's rights in the Services, then in addition to all Sherweb's other rights and remedies under the Agreement, Sherweb shall have the right to seek to prevent such action or failure to act by applying for interlocutory or permanent injunctive relief.

16.16. Severability. If, in any jurisdiction, any provision of the Agreement or its application to any Party or circumstance is restricted, prohibited or unenforceable, such provision shall, as to such jurisdiction, be

ineffective only to the extent of such restriction, prohibition or unenforceability, without invalidating the remaining provisions thereof and without affecting the validity or enforceability of such provision in any other jurisdiction or its application to other Parties or circumstances.

16.17. **No Other Terms.** The terms and conditions of this Agreement govern all transactions contemplated by this Agreement including all sales orders, statements of work or similar documents. Any proposed variation from or addition to these terms and conditions appearing on any document submitted by You are null and void.

16.18. **Export.** Sherweb's obligation to fulfill its commitments under this Agreement may be subject to restrictions arising out of Applicable Law related to national or international export controls, including embargoes or any other sanctions. The Parties further acknowledge that the Services may be subject to export and re-export restrictions under Applicable Law related to export control and thus may only be exported or re-exported in compliance with such Applicable Law.
